Body governed by public law

I.5. Main activity

Health

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Provision of Aseptically Prepared Drugs to East and North Hertfordshire (ENHT) NHS Trust, including The Lister Site and The Mount Vernon (MV) Site and The Princess Alexandra Hospital (PAH) NHS Trust

Reference number: DN340088

II.1.2. Main CPV code

85149000 Pharmacy services

II.1.3.

Type of contract

Services

II.1.4. Short description

Lister (East and North Herts NHS Trust) and Princess Alexandra Hospital to work in partnership to rationalise the services from both aging units that require significant capital to continue to provide the standard and capacity to cope with the increasing demand of aseptically prepared doses. In addition the scope of the tender also includes the Mount Vernon site, whose chemotherapy is currently provided by a third party. Due to the lack of capital investment within the NHS, we are inviting tenders for the provision of aseptically prepared drugs to East and North Hertfordshire Trust and Princess Alexandra Hospital in working partnership.

II.1.5. Estimated total value

Value excluding VAT: 10 000 000,00 GBP

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: UKH23 Hertfordshire

NUTS code: UKH35 West Essex

II.2.4. Description of the procurement

To meet the current and forecast service level requirements of the Contracting sites and wider region, it is expected that the successful Bidder will commit to building a new compounding facility in the Hertfordshire/Essex area to be operational within two years of award date and capable of providing a range of aseptically prepared products including Parenteral Nutrition (PN), Out-patient parenteral antimicrobial therapy (OPAT), Chemotherapy, Biologics and Clinical Trials investigational drugs. However, alternative proposal from bidders are welcome and bidders are invited to demonstrate other models and solutions to meet our requirements. Furthermore, nationally there is a shortage of aseptic capacity, a situation which has been highlighted and reviewed jointly with NHS England and other stakeholders. The successful Bidder must meet the strategic need of the Trusts to increase the available aseptic capacity through investment in incremental production capability.

The successful Bidder must be able to accommodate the chemotherapy requirement of Lister and MV from the start of the new contract without impact on contracted service levels. It should also have a plan to introduce PAH's chemotherapy requirement and all sites aseptic preparations requirement by 31.12.2019, such that both The Lister and PAH can decommission their current in-house facilities to their own timetable.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/02/2019 End: 31/01/2029

This contract is subject to renewal: yes
