2. Procedure

2.1. Procedure

Title: Workwear, footwear and protective equipment for Helse, Oppvekst og Teknisk

Description: The Contracting Authority hereby invites tenderers to a competition for the establishment of a framework agreement for the procurement of workwear, footwear and protective equipment, mainly for the municipal areas Health, Education and Technical.

Tenderers shall be able to deliver to all of the contracting authority's entities/addresses. A comprehensive description of the delivery is in the annexes to the tender documentation.

Procedure identifier: f12016ee-0b2f-49e7-bd9e-a49942026706

Previous notice: 9ac2337e-fcdc-4495-b0b4-ef32588602a7-01

Internal identifier: 2025/29517

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The contracting authority shall enter into a framework agreement for 2 years, with an option for an extension for 1+1 year for the purchase of workwear, footwear and protective equipment, mainly for the municipal areas Health, Education and Technical. Other entities in the municipalities that are not specifically mentioned and who may have an occasional need for workwear, footwear and protective equipment, will also be able to use this framework agreement. The contracting authority has a separate framework agreement for protective clothing and equipment for the fire and chimney sweeping service, and this is not included in this contract. The contracting authority will also enter into

separate framework agreements for textiles for institution use (chef clothing, nursing and patient clothing and bedding), as well as for clothing with uniforms, which will not be included in this contract. Procurement/call-offs will take place by each individual organisation/unit in the municipalities making orders in accordance with the contract. The estimated value for the contract period (including the option years) is approx. NOK 10.8 million to NOK 13.5 million (excluding VAT). The contracting authority draws attention to the fact that the estimated volume and value is based on historical procurements and future budgets. and is not binding for the contracting authority, but it shall only be seen as a guideline. The volume can vary and will depend on, among other things, the contracting authority's needs, activities, budgetary situation, political decisions and other framework factors. The price form, annex 2, mainly includes all assortment categories that shall be included in this contract, but there may be a need that means that products must be replaced or new products must be added to the agreement assortment.
