Section II: Object

II.1. Scope of the procurement

II.1.1. Title

HQIP NCA 2069 Mental Health Clinical Outcome Review Programme

Reference number: HQIP NCA 2069

II.1.2. Main CPV code

85100000 Health services

II.1.3. Type of contract

Services

II.1.4. Short description

The mental health clinical outcome review programme is 1 of 4 clinical outcome review programmes (previously known as confidential enquiries) which are designed to help assess the quality of healthcare, and stimulate improvement in safety and effectiveness by systematically enabling clinicians, managers and policy makers to learn from adverse events and other relevant data. The successful bidder will build on the experience of the mental health clinical outcome programme to provide surveillance of patient suicides and homicides,

an annual topic specific report as well as analysis and reporting of NHS funded mental health services in England, Scotland, Wales, Northern Ireland and potentially the States of Jersey and Guernsey, although this is yet to be confirmed.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 1 943 051,16 GBP

II.2. Description

II.2.2. Additional CPV code(s)

85140000 Miscellaneous health services, 85000000 Health and social work services

II.2.3. Place of performance

NUTS code: UK United Kingdom

II.2.4. Description of the procurement

The mental health clinical outcome review programme is 1 of 4 clinical outcome review programmes (previously known as confidential enquiries) which are designed to help assess the quality of healthcare, and stimulate improvement in safety and effectiveness by systematically enabling clinicians, managers and policy makers to learn from adverse events and other relevant data. The programmes aim to complement and contribute to the work of other agencies such as National Institute for Clinical Excellence (NICE), the Care Quality Commission (CQC), the Royal Colleges and academic research studies with the aim of supporting changes that can help improve the quality and safety of healthcare delivery. The successful bidder will build on the experience of the mental health clinical outcome programme to provide surveillance of patient suicides and homicides, an annual topic specific report as well as analysis and reporting of NHS funded mental health services in England, Scotland, Wales, Northern Ireland and potentially the States of Jersey and Guernsey, although this is yet to be confirmed.

Quality criterion - Name: Risk management / Weighting: 5

Cost criterion - Name: Cost and allocation of budget / Weighting: 10

II.2.11. Information about options

Options: yes

Description of options:

The contract is for an initial period of 3 years at a maximum total budget of 1 943 110 GBP excluding VAT and bids exceeding this limit may be rejected.

The contract is let initially to be delivered solely for England, Scotland, Wales, and Northern Ireland. However, there is potential to extend the contract for a possible additional 2 years,

subject to the availability of funding and an assessment by HQIP on the quality of the delivery of the programme. The Authority, in the future, may also offer the potential to vary the contract to additionally cover Jersey and Guernsey and/or other participants, and/or to include supporting NHS England's suicide reduction programme, however there is no commitment by the Authority at this stage to do so. The potential value of the contract, should all these options be offered and taken up, would be circa a total of 3 548 000 GBP excluding VAT over the maximum 5 years contract duration.

NB: Bidders should submit their schedule of offer based on providing the programme for the initial 3 years for England, Scotland, Wales, and Northern Ireland only.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information
