Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: The tenderer shall be a legally established company. Norwegian companies shall document a company registration certificate from the Brønnøysund Register Centre. Foreign companies shall document this with certificates of registration in a trade register as determined by the legislation in the country where the tenderer is established.

The tenderer shall fulfil his obligations in relation to payment of taxes, VAT and other public dues. All Norwegian tenderers shall enclose tax certificates for VAT and tax. Tax certificates shall not be more than 6 months, from the tender deadline.

The tenderer must fulfil the requirement for good conducted in accordance with PPR §§ 11-10 (1) e, or 20-12 (1) e. Documented by a completed self-declaration on conduct. The form can be obtained from the following website: http://www.abakus.as/images/stories/mal/Egenerklring_om_vandel.doc

III.2.2. Economic and financial ability

List and brief description of conditions: Tenderers shall have adequate financial capacity for implementation of the assignment. Documented by an expanded report from Bisnode <http://www.soliditet.no/> The report must be dated after the publication date for the contest. If this is not enclosed, Abakus will obtain an expanded report from Bisnode free of cost for the tenderer. The information in the report is used as a basis to assess the tenderer's economical and financial situation. Information given on the tender date will be emphasised. A credit rating equivalent to or better than 'A' or 'AN' is required to participate in the competition.

III.2.3. Technical and professional ability

List and brief description of conditions:

The tenderer shall have experience from similar contracts Tendering companies shall document a minimum of 2 equivalent assignments in the last 6 years. Equivalent assignments mean completed general contracts with a minimum value of 50 000 000 NOK excluding VAT and including the same disciplines as this project. The documentation shall include the name of contracting authority, scope, content and delivery date.

Tenderers must have a very good execution ability. This shall be documented by: — An overview of the tenderer's total manpower. — Signed commitment statements between the general contractor and sub-contractors who will be used in this project.

The following certifications are required for the right to be responsible, with the stated development class: UTF surveying and measuring measures, development class 2.
