Notice of an open tender contest - Government joint contract for the hire of vehicles

Reference number: 21/143

II.1.2. Main CPV code

63520000 Transport agency services

II.1.3. Type of contract

Services

II.1.4. Short description

Direktoratet for forvaltning og økonomistyring (DFØ) [the Norwegian Agency for Public and Financial Management] c/o Statens innkjøpssenter [the Government Procurement Centre], will carry out a procurement of government joint contracts for vehicles. The purpose of the procurement is to enter into joint contracts to cover the Contracting Authority's need for the hire of vehicles. The contract volume is expected to be between NOK 45 – 60 million, and a combined NOK 240 million of four years. The total maximum value of the contracts including options is NOK 350 million. The joint contract is divided into two (2) categories; one for passenger vehicles and one for goods vans and utility vehicles. Joint contracts will be signed for a total of seven (7) passenger vehicles. For the goods vans and utility vehicles category, the contract owner intends to sign one national contract. After the contest is announced, the contract owner will hold an informative meeting about the procurement on 19 April 2023, and interested tenderers are encouraged to attend. For more information regarding registering for the informative meeting and participation in the procurement, see the attached procurement documentation.

II.1.5. Estimated total value

Value excluding VAT: 350 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots

II.2.3. Place of performance

NUTS code: NO Norge

Main site or place of performance: Norway

II.2.4. Description of the procurement

Direktoratet for forvaltning og økonomistyring (DFØ) [the Norwegian Agency for Public and Financial Management] c/o Statens innkjøpssenter [the Government Procurement Centre], will carry out a procurement of government joint contracts for vehicles. The purpose of the procurement is to enter into joint contracts to cover the Contracting Authority's need for the hire of vehicles. All tenderers that offer vehicles for hire can participate in the procurement. The contract volume is expected to be between NOK 45 – 60 million, and a combined NOK 240 million of four years. The total maximum value of the contracts including options is NOK 350 million. The joint contract is divided into two (2) categories; one for passenger vehicles

and one for goods vans and utility vehicles. Joint contracts will be signed for a total of seven (7) passenger vehicles. The lots are divided by county, where some counties are combined due to low estimated volume. For the goods vans and utility vehicles category, the contract owner intends to sign one national contract. After the contest is announced, the contract owner will hold an informative meeting about the procurement on 19 April 2023, and interested tenderers are encouraged to attend. For more information regarding registering for the informative meeting and participation in the procurement, see the attached procurement documentation.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 350 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: yes

Description of renewals:

The contract owner has an option to extend the Joint Contract for a further 1+1 year. The maximum duration of the joint contract including the options is 4 (four) years.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

The joint contract is divided into two (2) categories; one for passenger vehicles and one for goods vans and utility vehicles. Joint contracts will be signed for a total of seven (7) passenger vehicles. The lots are divided by county, where some counties are combined due to low estimated volume. For the goods vans and utility vehicles category, the contract owner intends to sign one national contract.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

-Norwegian tenderers: Company registration certificate

- Foreign tenderers: Verification that the company is registered in a company register, professional register or a trade register in the state where the tenderer is established.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have procedures for environmental management measures that contribute to minimising environmental impact.

Documentation requirement:

Tenderers must deliver a description of their relevant environmental management measures that can contribute to reducing environmental impact from the hire of vehicles.

This can also be documented with a certificate from a third party-certified environmental label or environmental management system that fulfils the requirement. Tenderers must then refer to where in the certification criteria the requirement is set and provide at minimum an overall description of the system, measures and objectives relevant to this contract.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators Envisaged maximum number of participants to the framework agreement: 3

Date: 16/05/2023 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 31/08/2023

IV.2.7. Conditions for opening of tenders

Date: 16/05/2023 Local time: 12:00

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3. Additional information

In the passenger vehicle category, the contracting authority intends to enter into agreements with up to three (3) tenderers for each lot (7 lots in total). For the goods vans and utility vehicles category, the contract owner intends to enter into one national agreement with up to three (3) tenderers. One lot is considered to be one contract area. A contract will be signed for each lot independent of the other lots.

The contract owner reserves the right to enter into contracts with fewer than 3 (1 or 2) tenderers per lot if tender offers are received from fewer than 3 tenderers per lot or if the difference in evaluation sums between tenders from two tenderers is greater than 20%.

VI.4. Procedures for review

VI.4.1. Review body
