The contracting entity is purchasing on behalf of other contracting entities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting entity

Overhaul of train engines (LINT 41) - service contracts.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 1: Maintenance and repair services

Main site or place of performance: Pick up and delivery AB Hillerød, Denmark.

NUTS code DK02 Sjælland

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5.

Short description of the contract or purchase(s)

The Contracting Authority is planning a successive overhaul of the engines of 25 LINT 41 train sets, each containing 2 engines, over the duration of approximately 24 months beginning in November 2012.

Each successive overhaul shall be completed in three weeks. Accordingly, please note that it will be a contractual requirement that deliveries take place successively as each train set is disassembled. A time plan will appear from the tender documents. Reference is also made to Section III.1.4 of this Contract Notice.

The Contracting Authority will itself perform disassembly and assembly of the engines, and is tendering a number of service and supply contracts necessary for the overhaul.

This contract notice covers the service contracts; a parallel tender is being held for the supply contracts.

The contracts/lots under this contract notice concerns:

- Overhaul of engines (incl. air compressors),
- Overhaul of transmissions,
- Overhaul of hydraulic cooling systems,
- Overhaul of systems.

A more detailed description of each service can be found in Annex B.

II.1.6. CPV code(s)

50221000 Repair and maintenance services of locomotives, 50221200 Repair and maintenance services of locomotive transmissions

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

- Overhaul of 50 engines (incl. air compressors),
- Overhaul of 50 transmissions,
- Overhaul of 50 hydraulic cooling systems,
- Overhaul of 50 cooling systems.

Estimated value excluding VAT: 12 000 000,00 DKK

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Reference is made to the tender documents.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Payment will be made per engine and after completion and acceptable delivery of each engine. Reference is made to the tender documents.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

There are no specific requirements regarding the legal form to be taken by a group of economic operators in order to be eligible for award of the contract. However, if a group of economic operators submits a joint offer, all economic operators in the group must be jointly and severally liable for the performance and fulfillment of the contract.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: Pick up and delivery AB Hillerød.

A full supplier warranty valid for 2 years or 300 000 kilometers is required.

It will be a contractual requirement that the turnover time, i.e. the time span between the relevant part has been delivered to the service provider and delivered back to the Contracting Authority at the Contracting Authority's workshop in Hillerød, does not exceed 3 weeks for each successive overhaul.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Applicable to applications for all lots:

(1) Solemn declaration that the personal situation of the applicant is not covered by the grounds for exclusion mentioned in Article 54 of Directive No 2004/17/EC, cf. Article 45 (1) of Directive No 2004/18/EC.

A template for a declaration be obtained from the contact person listed under Section I.1. The applicant may - but is not required to - use this template to submit the required information.

III.2.2. Economic and financial ability

List and brief description of conditions: Applicable to applications for all lots:

(2) Annual reports for the last three (3) financial years. If the the information is not available for all three years, e.g. because the applicant did not start trading until one year ago, the applicant must submit all available information.

(3) Documentation of relevant liability insurance.

III.2.3. Technical and professional ability

List and brief description of conditions: Applicable to applications for all lots:

(4) A list of the principal deliveries effected or the main services provided in the past three (3) years. The list should include the sums, dates and recipients involved.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting entity

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents (except for a DPS)

IV.3.4. Time limit for receipt of tenders or requests to participate

31.7.2012 - 14:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

Danish. English.

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

The number of participants will for each lot be limited to 5 economic operators, cf. Section 54 (3) of Directive No 2004/17/EC.

VI.4. Procedures for review**VI.4.1. Review body**

Official name: Klagenævnet for Udbud

Postal address: Langelinie Alle 17

Town: København Ø

Postal code: 2100

Country: Denmark
