Manchester is experiencing an expansion of its economic footprint in all directions. Developments such as Spinningfields, Piccadilly Quarter and Central Spine have helped to establish office locations outside the core business district area but, importantly within the regional centre. The Co-operative plays an important role in Manchester. It is a major employer, influential landowner and its buildings have chartered the fortunes and aspirations of both the city and the movement. The Co-operative's location in the North of the city is another example of where the city centre's footprint can be extended to meet with future demands. The development of new commercial areas has seen the evolution of Manchester City Centre from a one centre model to a polycentric model. The Co-operative is located at the heart of a new emerging commercial destination which is the City Centre North. The City Centre North area is establishing itself as a new commercial quarter with a number of new properties being developed. The Co-operative Group is leading a strategic regeneration initiative for the Northern Gateway to the City of Manchester. The vision is a transformation of a 20-acre site including the Co-operative Group's existing building stock in the area and will include the construction of a new Co-operative Group head office. The contracting party for the contract being procured by this tender will be 'The Co-operative Group Limited'. The Co-operative working in partnership with Manchester City Council is looking to procure a public services contract. The contract will be let by the Co-operative and is a subsidised public services contract pursuant to Regulation 34 of the Public Contract Regulations 2006. The contract will be for Noma Phase 2 & 3 Public Realm , to provide CDM Co-ordinator services. The Co-operative reserves the right not to award any contract as a result of this procurement process initiated by this notice and will not be liable for any costs incurred by candidates. The key target contract dates are:

Award contract – October 2013;

Start– November 2013;

Completion – October 2015.

Interested parties must submit a Pre-Qualification Questionnaire by way of expression of interest. The Co-operative is using the Manchester City Council e-business portal known as THE CHEST (www.the-chest.org.uk) to conduct this procurement exercise . Applicants will need to register their details at the following link https://www.thechest.nwce.gov.uk/procontract/supplier.nsf/frm_home?openForm.

Once registered, applicants will be emailed a log-in and password which will allow applicants to gain access to the Pre-Qualification Questionnaire. Applicants will need to electronically submit the completed Pre-Qualification Questionnaire and accompanying documentation via the CHEST on-line portal no later than 22.7.2013 , as referred to in IV.3.4. Any clarification queries will also need to be submitted via THE CHEST website

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: The Co-operative will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers prior to entering into the contract. If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts Regulations 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

Where a contract has not been entered into the court may order setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the court may award damages and/or shorten or order the contract ineffective.

VI.4.3. Service from which information about the review procedure may be obtained
