II.1.4. Short description

The EIT Health Academy is a learning ecosystem that has been developed to provide a frictionless learning solution for European learners in the domain of health. The Academy aims to provide a platform that will be with EIT Health and partner learners at each step of their educational journey and act as a one-stop-shop from their registration through to certification. To support the cost-effective high-quality performance of the EIT Health Academy, EIT Health aims to establish a Framework Agreement mechanism for the provision of instructional design and technology enhanced learning services by suitable and experienced companies, for the accomplishment of the EIT Health Academy's mission.

The Framework Agreement seeks to establish a mechanism for possible future procurements by EIT Health to be awarded in the form of Specific Service Contracts (SSC).
