Using an existing procurement capability model, the contract requires the successful bidder to

deploy and roll out the Model across the Welsh Public sector. The initial focus will be on the 22 Welsh local authorities and the contractor will be expected to deliver the following objectives:-

- Design the assessment methodology to ensure that maximum input is achieved from the assessments performed. Ensure that the assessment is not onerous and is performed with efficiency.
 - Develop the Roll out plan and associated activities in a Project Plan to be approved by the Project manager
 - Liaising with individual organisations to plan the assessment and to keep the project manager informed of the activities being undertaken.
 - Report on findings for each organisation and deliver to the organisation and Welsh Government for Sign off.
 - Prepare an improvement plan for each organisation and deliver to the organisation and Welsh Government for Sign off.
 - Present the overall findings to Project Board/Senior Management meetings, as required
- The Welsh Government, on behalf of the Welsh Ministers, will be conducting this procurement exercise through the etenderwales portal <https://etenderwales.bravosolution.co.uk> Tender documents and other information must be downloaded from and returned through this portal.
