### **VI.2. Additional information**

Re. Section III.2) According to directive 2004/18, art. 47(2) and art. 48(3) and directive 2009 /81, art. 41(2) and 42(2), a candidate may rely on the economic, financial and/or technical capacity of other entities, regardless of the legal nature of the links with the entities. If a candidate wants to rely on other entities and wishes that the capacity of other entities is included when establishing the suitability of the candidate, the candidate must prove that the other entities will and shall put the relevant resources at the disposal of the candidate. For instance this is fulfilled if the candidate submits a co-operation agreement clearly stating that the candidate has the relevant resources at its disposal (conversely, it is not sufficient to submit a declaration stating that the candidate is entitled to sell products on behalf of another entity if the candidate wishes to rely on the capacity of this other entity).

When submitting contact details the candidates are encouraged to submit as much information as possible and preferable also the e-mail address of the candidate's contact person.
