Transmission lines on shore in Fet – MIRA.

II.1.2. Type of contract and place of performance or delivery

Works

Execution

Main site or place of performance: Fetsund, Norway.

NUTS code NO012 Akershus

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

In connection with establishment of a new sewage treatment plant where laying of a total of 33 kms transmission line to the new sewage treatment plant shall be executed. This assignment includes excavation and drilling, as well as laying of Ø315mm PE100 SDR 11 sewage pump line for lot from existing pumping station PA1/new PA131 located at Øya in Fet to the Glomma River's west side, from the Glomma River's east side and up to existing PA7/new PA130 at Kirkeveien/Hvalsenga, total section length of the line is approx. 1075 metres. The last section of this shall be a self fall pipeline Ø400 PE 100. A new SP pipeline shall also be established Ø110 PE100 SDR 11 from the existing PA13 at Øya up to PA1 at Øya, length 465 metres. Furthermore, laying of a new SP force main Ø450 PE100 SDR 11 and overflow pipe Ø450 PE100 out in the Glomma River from existing PA7 , length approx. 150 metres for each of them. Some diving must be expected in connection with the laying of these pipes. A total of 5 outlet basins shall be established. Laying of Ø355 PE100 SDR11 water pipe shall also be executed, from J E Ekonesvei at Øya in Fet and to the Kirkeveien at Østersund School for Fet municipality. Most of this shall be along the section for Ø315 force main. Length of the water pipe included in this contract is 1000 metres. It shall be constructed 4 new water ponds as well as connection to a new pipe in the existing water ponds at both sides of the Glomma River. This includes laying of conduits for fibre cable in the lot as an option in the tender. Below the Glomma River, drilling for a new force main and a new water pipe shall be executed. This is included in a different contract during autumn 2014. Construction of the pumping stations are also subject to a separate engineering design, procurement and construction contract during summer 2014.

II.1.6. CPV code(s)

45231300 Construction work for water and sewage pipelines, 45000000 Construction work, 45231110 Pipelaying construction work

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

II.2.1. Total quantity or scope

This contract includes: approx. 1075 metres Ø315mm PE100 SDR 11 sewage pump pipe, the last section of this shall be laid as a self fall pipe Ø400 PE 100. Moreover, laying of 465 meters Ø110 PE100 SDR 11 PSP. From the existing pumping station, laying shall be done for approx. 150 metres force main Ø450 PE100 SDR 11 and overflow pipe Ø450 PE100. Approx. 1000 metres water pipe Ø355 PE100 SDR11. 4 units of water ponds og 5 sewer manholes. Trench for laying of power cable.

Estimated value excluding VAT:

Range: between 7 000 000 and 8 000 000 NOK

II.2.2. Information about options

Options: yes

Description of options: Option for conduits for fibre cables.

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Start 8.9.2014. Completion 15.6.2015

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

See the tender documentation.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

See the tender documentation.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

See the tender documentation.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: See the tender documentation.

III.2.2. Economic and financial ability

List and brief description of conditions: See the tender documentation.

III.2.3. Technical and professional ability

List and brief description of conditions:

See the tender documentation.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

Lowest price

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

21008

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

12.8.2014 - 13:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

Danish. Swedish.

Other: Norwegian

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

Duration in days: 120 (from the date stated for receipt of tender)

IV.3.8. Conditions for opening of tenders

Date: 12.8.2014 - 14:00

Place: Official name: Midtre Romerike Avløpsselskap IKS

National registration number: 911 808 005

Postal address: Sørumsandvegen 65

Town: Sørumsand

Postal code: 1920

Country: Norway

Persons authorised to be present at the opening of tenders: no

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: Tenderers will be given an appeals deadline at 13:00, calculated 10 days from the date the note is sent electronically.

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

22.6.2014
