2. Procedure

2.1. Procedure

Title: Government joint contract for the procurement of internet, data lines and accompanying services.

Description: The Norwegian Government Agency for Management and Financial Management (DFØ) c/o Statens innkjøpssenter invite tenderers to a competition for the governmental joint agreement for internet, data lines and accompanying services. The procurement includes internet access, network access and data lines as a mandatory part of the delivery. The procurement includes non-exclusive options for SD-WAN, security services, consultancy services and other additional services. The annual contract value is estimated to be between NOK 70 million and NOK 100 million excluding VAT, including options when all call-offs under the Joint Agreement have been implemented. Attention is agreed that the estimate is not binding for the contract owner and contracting authorities. The total maximum value for the contract for 6 years is NOK 900 million excluding VAT. The joint agreement is divided into five (5) sub-contracts, tenders can be submitted for one or several of the sub-contracts. One sub-contract will be seen as one contract area. The sub-contracts will be entered into independently of each other.

Procedure identifier: 8c5e049a-1d3f-44ae-8bde-7aeda87f3637

Previous notice: 6e726a30-dd93-4415-8a1e-52bee3eadaa2-01

Internal identifier: 23/590

Type of procedure: Restricted

The procedure is accelerated: no

Main features of the procedure: The procurement will be made in accordance with the Public Procurement Act of 17 June 2016 (the Procurement Act) and the Public Procurement Regulations (procurement regulations) 2016-08-12-974 parts I and parts III. The competition will be held as a restricted tender contest, cf. the procurement regulations § 13-1 (1). A

restricted tender contest involves the procurement being carried out as a two stage procedure. The tender contest starts with a qualification phase. Only tenderers who fulfil the qualification requirements and who have been invited will be able to submit a tender. All qualified tenderers will be invited to submit a tender. The deadline for requesting a temporary injunction for tenderers who are not invited to submit a tender is set to 15 days from the day the Contracting Authority sends out a written notification, cf. the Procurement Regulations 20-7 (2). Negotiations cannot be made in a restricted tender contest and the tenders cannot be amended after the tender deadline has expired.

2.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 72000000 IT services: consulting, software development, Internet and support

Additional classification (cpv): 32000000 Radio, television, communication, telecommunication and related equipment, 32400000 Networks, 32430000 Wide area network, 64000000 Postal and telecommunications services, 64200000 Telecommunications services, 64210000 Telephone and data transmission services, 72400000 Internet services, 72700000 Computer network services, 72720000 Wide area network services

2.1.2. Place of performance

Country: Norway

Anywhere in the given country

2.1.3. Value

Estimated value excluding VAT: 900 000 000,00 NOK

2.1.4. General information

Legal basis:

Directive 2014/24/EU

5. Lot

5.1. Lot: LOT-0001

Title: Regional sub-contract for Troms, Finnmark, Nordland and Trøndelag
