I.2. Information about joint procurement

The contract involves joint procurement

I.4. Type of the contracting authority

Body governed by public law

I.5. Main activity

Health

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

NHS Wales GMS IT Clinical System Services Framework Agreement
Reference number: P189.02

II.1.2. Main CPV code

48000000 Software package and information systems

II.1.3. Type of contract

Supplies

II.1.4. Short description

The Awarding Authority is seeking to undertake a reprocurement of an existing contract for a GMS IT System Services framework agreement. The key components of the new agreement will include (without limitation) the delivery of a managed service, including the following:

- provision, ongoing development, upgrade and maintenance of GMS clinical system software solutions,
- provision of central hosting and all associated Services to deliver this functionality as a Managed Service,
- provision of an application support services at an infrastructure level (in support of central hosting arrangements) and at the user level (as second or third line support to the NHS Wales helpdesk).

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 70 000 000,00 GBP

II.2. Description

II.2.3. Place of performance

NUTS code: UKL Wales

Main site or place of performance: All sites and geographical location of NHS Wales and the Health Boards and NHS Trusts within Wales.

II.2.4. Description of the procurement

At a more detailed level the scope of the new framework agreement will include(without limitation)the following: Delivery of GMS IT Clinical System Services to embrace the following key areas:

- intuitive functionality which support the requirements of the GMS Contract,
- functionality and interoperability requirements for NHS Wales national services,
- hosted,web-based patient centric service with the functional capability to adapt and respond to future service delivery requirements across Primary, Community and Social Care Settings (General Medical Services)as well as facilitate remote mobile working as appropriate,
- services(including appropriate 3rd party products)which support core clinical business functions through compliance with NHS Wales national Architecture and Interoperability Framework Standards Further details concerning the scope and nature of the requirement shall be included with subsequent documentation. It is the expectation of the Contracting Authority to enter in to an arrangement for the supply of the required services that will be structured in a manner that will facilitate VAT recovery by the Contracting Authority on all associated costs of the arrangement under the appropriate NHS VAT Contracted Out Services relief, on the basis that it qualifies as a fully managed outsourced service by meeting all the requirements for such arrangements as laid down by the relevant Tax Authority. It is the expectation of the Contracting Authority to enter into an arrangement for the supply of any solution/service that will be structured in a manner that will allow all associated costs of the arrangement to be kept off-balance sheet under International Financial Reporting Standards.
