The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title

Review of regional consequences of any changes to the airport structure in Helgeland.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 8: Research and development services

Main site or place of performance: Oslo, Norway.

NUTS code NO0 Norge

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

The Ministry of Transport would like to carry out an external review of the regional consequences of any change to the airport structure in Helgeland.

Even though there will not be a full planning process in accordance with the government quality assurance regime, the Ministry of Transport deems it necessary to ensure a thorough assessment of the consequences of any changes to the airport structure in Helgeland. The Ministry would therefore like to carry out an external review of the regional consequences

parallel to Avinor's planning work.

The review will make up an important part of the decision basis for the later structure assessments connected to a possible extension to the new airport at Mo i Rana.

The review shall look at the extension of a possible new regional airport, i.e. an airport that is served by planes that currently operate on the main routes. The Ministry of Transport would like, with this as a starting point, to carry out a socio-economic analysis that includes a broader assessment of the regional effects. The alternatives that shall be assessed are:

1. Continuation of the current airport structure (the zero alternative)
2. Construction of a new airport at Mo i Rana, to replace the existing airport, without other structural changes.
3. Construction of a new airport at Mo i Rana, to replace the existing airport, as well as the closure of Mosjøen airport, Kjærstad.

Further details on the delivery are in annex 1 of the contract — The contracting authority's description of the assignment.

II.1.5. CPV code(s)

73200000 Research and development consultancy services, 73000000 Research and development services and related consultancy services, 73110000 Research services, 73210000 Research consultancy services
