### Section III: Legal, economic, financial and technical information

---

#### III.1. Conditions for participation

##### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a commerce register in the country where the tenderer is established.

##### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Tenderers must as a minimum achieve a rating of 'Credit worthy', i.e. the tenderer must be in risk classification 5 or higher on the Experian scale.

Minimum level(s) of standards possibly required:

As documentation the contracting authority will obtain the credit evaluation Commercial Delphi Score from Experian (The contracting authority subscribes to services from Experian).

Tenderers are expected to have familiarised himself with registered information about the company and by submission of the tender accepts that the information will be obtained and form the basis of the assessment of the tenderer's economic situation.

Tenderers can attach a credit rating from a certified credit rating company showing that the tenderer fulfils the requirement. The credit assessment must be based on the last available accounting figures.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the contracting authority deems suitable.

##### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from a minimum of two (2) assignments involving the delivery of equivalent vehicles to a public contracting authority.

Minimum level(s) of standards possibly required:

Documented by attaching a list of the primary relevant assignments during the last five (5) years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description. The references will only be contacted if required.

A tenderer can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another service provider.

#### III.2. Conditions related to the contract

##### III.2.2. Contract performance conditions

Are stated in the tender documents with annexes.
