### **Section III: Legal, economic, financial and technical information**

#### **III.1. Conditions related to the contract**

---

### **III.1.1. Deposits and guarantees required**

### **III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

### **III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

### **III.1.4. Contract performance conditions**

The performance of the contract is subject to particular conditions: no

## **III.2. Conditions for participation**

### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: KK — 01 Tax certificates for tax and VAT. Tenderers are required to have fulfilled their payment obligations for tax and VAT. Documentation requirement. Certificate issued by a competent authority confirming that the tenderer has fulfilled his obligations with regard to the payment of tax and VAT. (In Norway: Certificate (RF1316) from the tax collector and the municipal treasurer/collector of taxes, not older than 6 months). If the tenderer plans to use sub-suppliers, a tax certificate and VAT certificate must also be submitted for these, with the equivalent requirements for fulfilment of their obligations. The contracting authority draws attention to the fact that we will accept certificates issued in accordance with RF 1244, but draws attention to the fact that if these are used, 2-2-forms that equal RF 1316 shall be enclosed that fulfil the age requirement.

KK — 02 Company registration certificate. Tenderers shall be a legally established company /sole trader or company being founded (SUS). Documentation requirement. Established company: Certificate from the Register of Business Enterprises or certificate of registration in the professional register with regard to the legislation in the country in which the tenderer is established. Recently established/in the process of being established: Certificate from the Register of Business Enterprises, or if not available, the Memorandum of Association (AS). The Business Registration Certificate presented must not be more than 12 months old.

### **III.2.2. Economic and financial ability**

List and brief description of conditions: KK-03: Confirmation that the company is not in debt negotiations or bankruptcy negotiations. Documented through a self-declaration, bank confirmation, auditor's report, etc.

KK — 04 Sufficient financial ability is required to fulfil the contractual obligations. The Credit Rating which will form the basis to be eligible for this competition will be not less than 'Credit Worthy' (equivalent to A at AAA Soliditet). In evaluation of the above, the contracting authority will be using Ravnifo.no/Soliditet. The Contracting Authority will itself obtain credit ratings as a basis for the assessment stated above. The information will be obtained after the tender deadline and on the same date for all tenderers. For recently established companies, companies under formation, companies with no activity or companies that have not been credit-rated, parent company guarantees, bank guarantees, etc. can instead be presented, providing an equivalent guarantee for the implementation ability. The company organisation number shall be provided for the parent company if a parent company guarantee is used.

### **III.2.3. Technical and professional ability**

List and brief description of conditions:

KK-05: The tenderer must have good ability and the capacity to fulfil the contract obligations. A short description of the tenderer's personnel for fulfilment of the contract. List of the most

important and most relevant deliveries in the last 3 years, including information on the value and date, type of products delivered, as well as the name of the public or private recipient (equivalent services as in this contract, both as regards nature and extent). If a tenderer intends to engage sub suppliers, a binding statement shall be enclosed that states that the tenderer has access to the necessary resources in the entire contract period.
