II.1.4. Short description of the contract or purchase(s)

Statistics Norway intends to enter into a contract with a tenderer for the delivery of a wireless network.

SSB shall reinstall a complete new system for wireless LAN in the offices in Kongsvinger, which shall have seamless interface with the system in Oslo, which can need supplementing. The contract includes the design and installation of a complete system including an administration tool.

The system shall be operated by a separate ICT section.

The delivery shall include:

- Detailed design of a new system including radio planning and measuring coverage;
- All necessary software;

- All the necessary hardware (access points and administration tool);
- Complete new cabling for all access points;
- Complete installation including full configuration and integration with existing network systems;
- Documentation;
- Training in the form of courses for operational personnel;
- Service and maintenance contract;
- Assistance on an hourly basis;
- Engineering design, site inspection, design, installation, configuration, migration, testing, training and documentation;
- Submitting tenders.

All tenders must be submitted electronically via the Mercell portal at: www.mercell.no within the tender deadline. Late tenders will be rejected. (The system does not allow tenders to be sent in electronically via Mercell subsequent to the deadline for receipt of tenders).

If you are not a Mercell user, or you have any questions related to functionality of the tool, for example, how to give quotes, please contact Mercell Support on tel. 21 01 88 60 or e-mail to: support@mercell.com

Tenders are recommended to be delivered well before the deadline expires, for example, at least 1 hour before the tender deadlines.

In the event that additional information from the Contracting Authority leads to you wanting to revise your tender before the tender deadline expires, you can go in and open the tender, make changes and resubmit right up until the tender deadline expires. The last submitted tender will be considered the tender of record.

The tender requires an electronic signature upon delivery.

During the submission of the tender you will be asked for an electronic signature to prove that it is the actual tenderer who has sent the tender. You can obtain an electronic signature at: www.commfides.com www.buypass.no or www.bankid.no

Please note that it may take several days for the electronic signature to be delivered to you and as such this process should be initiated as soon as possible.
