1. The Joint Procurement Service for Surrey Police and Sussex Police went live on 1.9.2012 operating from the Surrey Police Headquarters in Guildford, with a satellite office based at Sussex Police Headquarters in Lewes. As a result:

2. The Police and Crime Commissioner for Surrey will be acting as the lead force for a framework for Surrey and Sussex Police to select a force wide combined provision of Waste Management. This will cover both forces' premises in the counties of Surrey, East Sussex, West Sussex and Brighton and Hove Metropolitan Council, which amounts to approximately 135 number of police locations, 55 in Surrey and approximately 80 across both East and West Sussex. All locations require a variety of waste management solutions, dependant on the type

of asset or waste being disposed of.

3. The successful contractor(s) shall be required to provide an innovative, professional, high quality, responsive and flexible service to ensure that both Surrey and Sussex's Police waste requirements are met, and disposed of safely in accordance with relevant legislation. Both force's would like the successful contractor(s) to take pride in the provision of waste management for Surrey and Sussex Police forces, and therefore enhancing the professional reputation of both force's, as well as any contractor(s) associated with this service provision. Both forces' see this as a partnership with the contractor(s) who would be expected to provide the professional expertise, advice and guidance required.
