Education

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Framework Agreement for Maintenance and Repair of Access Control Systems

Reference number: 21/2

II.1.2. Main CPV code

50700000 Repair and maintenance services of building installations

II.1.3. Type of contract

Services

II.1.4. Short description

The framework agreement will cover the contracting authority's need for maintenance and repair of the university college's access control systems of the type Symmetry and Salto. The procurement will include technical telephone support, troubleshooting, delivery of components and assembly. In addition, software licenses and conversion of data from Symmetry to Salto. We envisage that replacements, upgrades and expansions will be with Salto technology so that in the long run we will have one system for access control. Procurement of maintenance services is the main element of the contract.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 2 200 000,00 NOK

II.2. Description

II.2.2. Additional CPV code(s)

42961100 Access control system, 50710000 Repair and maintenance services of electrical and mechanical building installations, 51220000 Installation services of checking equipment

II.2.3. Place of performance

NUTS code: NO0A2 Vestland

II.2.4. Description of the procurement

The framework agreement will cover the contracting authority's need for maintenance and repair of the university college's access control systems of the type Symmetry and Salto. The procurement will include technical telephone support, troubleshooting, delivery of components and assembly. In addition, software licenses and conversion of data from Symmetry to Salto. We envisage that replacements, upgrades and expansions will be with Salto technology so that in the long run we will have one system for access control. Procurement of maintenance services is the main element of the contract.
