II.2.3. Place of performance

NUTS code: BE100 Arr. de Bruxelles-Capitale/Arr. Brussel-Hoofdstad

Main site or place of performance: The services will be performed at the contractor's premises or, for the purposes of the activities required (e.g. organisation of meetings) at any other location agreed with the contracting authority.

II.2.4. Description of the procurement

The capacity building activities target in particular to staff in health data access bodies (hereinafter – HDABs) and people with a platform/channel to reach out to stakeholders engaged on secondary use of health data (hereinafter – EHDS2 ambassadors).

The aim is to strengthen the skills of staff in health data access bodies (HDABs) and standardise the skills of EHDS ambassadors through knowledge creation, transfer, and best practices exchange among Member States, on five digital business capabilities, all of which are crucial for the secondary use of health data, in the perspective of the European Health Data Space.

The requested services include the preparation of training materials and delivery of trainings, the preparation of materials to support local implementations, including a twinning approach. Additionally, the requested services include verification and monitoring local implementations. This capacity building intervention is expected to facilitate, accelerate, and harmonise the implementation of the European Health Data Space provisions related to the secondary use of health data.
