Short description of the contract or purchase(s)

The scope and purpose of the procurement.

The contract is for the procurement of 1 crew vehicle 4x4 in 2016, which shall be used as a turn-out vehicle (fire engine).

The procurement has been published previously. The Contract Authority received only 1 tender. The competition is therefore republished. Changes: — Changes in the attached spreadsheet are marked with 'NYTT' ('New') on the left side of the table.

The Contracting Authority emphasises that it is possible to give offers for a vehicle with a pump installed both in the rear and in the middle of the vehicle.

The contract is subject to municipal allocation of means.

See part 2a, requirement specifications, for further information.
