III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Payment in pounds sterling for each framework order completed in accordance with the contract.

Ordering, receipting and invoicing will be electronic via DECS P2P (details at www.d2btrade.com).

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

If a group of economic operators submits a bid, the group must nominate a lead organisation to deal with the Authority. The Authority shall require the group to form a legal entity before entering into the contract.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: Please note that the requirement to which this notice relates comes under Logistic Commodities and Services (LCS), formed on 1 August 2011. LCS is determining the future strategy for all commodities and services within its remit and may in the future place a contract for the supply of services which may include the provision of articles (or services) which are covered by this notice. In this event the Authority may satisfy its requirement from the LCS service contract and no further orders will be placed against any framework arising from this notice. Alternatively, the Authority may appoint a Managing Agent to operate the framework/contract arising from this notice; novate the Agreement to a Managing Agent or third party; or assign the benefit of the Agreement to a Managing Agent. Further details will be provided in the tender documentation.

Ability to provide examples of adherence to the Government Buying standards for Paint to EC Directive 2004/42/CE that have been transposed into UK law by Regulation in 2005 which were amended in 2009,2010 and 2012 .

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: The Authority will apply all the offences listed in Article 45(1) of Directive 2004/18/EC (implemented as Regulation 23(1) of the Public Contract Regulations (PCR) 2006 in the UK) and all of the professional misconducts listed at Article 45 (2) of Directive 2004/18/EC (see also Regulation 23(2) in the PCR 2006) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of the Regulation 23(1) and 23(2) criteria are at <http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process. For candidates who are registered overseas, you will need to declare if you have any offences/misconduct under your own countries laws, where these laws are equivalent to the Regulation 23 lists.

Candidates who have been convicted of any of the offences under Article 45(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 45 (2) may be excluded from being selected to bid at the discretion of the Authority.

III.2.2. Economic and financial ability

List and brief description of conditions: (a) Appropriate statements from banks or, where appropriate, evidence of relevant professional risk indemnity insurance

(b) The presentation of balance-sheets or extracts from the balance-sheets, where publication of the balance-sheet is required under the law of the country in which the economic operator is established

(c) A statement of the undertaking's overall turnover and, where appropriate, of turnover in the area covered by the contract for a maximum of the last three financial years available,

depending on the date on which the undertaking was set up or the economic operator started trading, as far as the information on these turnovers is available

To be provided by the Pre Qualification Questionnaire.

Minimum level(s) of standards possibly required: The Applicant's financial ability to meet this requirement will be assessed on a risk basis and the Applicant's financial accounts will be evaluated the Authority. Factors that will be taken into consideration when evaluating the accounts include: Turnover; Profitability; Liquidity and Working Capital; Debt; Cashflow. The MOD will also examine the financial health of any holding company or subsidiary of the applicant company where it is part of a group. When assessing the financial health of an organisation the Authority will also taken into consideration any Auditor's opinion, for example Qualifications or Emphasis of Matter Statements. The Authority's opinion may be validated using financial credit agencies such as Company Watch and Dunn and Bradstreet. If examination of the financial accounts exposes the potential for an applicant to experience financial difficulty, then the Authority will determine the level of risk that it is willing to bear in fulfilling the requirement. Evaluation of the accounts will attract an acceptable or non-acceptable risk marking. The minimum level of standard is an acceptable risk marking. Applicants who do not meet this minimum will not be invited to tender.

III.2.3. Technical and professional ability

List and brief description of conditions:

- (b) a list of the principal deliveries effected or the main services provided in the past three years, with the sums, dates and recipients, whether public or private, involved. Evidence of delivery and services provided shall be given: - where the recipient was a contracting authority, in the form of certificates issued or countersigned by the competent authority, - where the recipient was a private purchaser, by the purchaser's certification or, failing this, simply by a declaration by the economic operator
- (c) an indication of the technicians or technical bodies involved, whether or not belonging directly to the economic operator's undertaking, especially those responsible for quality control and, in the case of public works contracts, those upon whom the contractor can call in order to carry out the work
- (d) A description of the technical facilities and measures used by the supplier or service provider for ensuring quality and the undertaking's study and research facilities
- (j) An indication of the proportion of the contract which the services provider intends possibly to subcontract
- (k) With regard to the products to be supplied: (i) samples, descriptions and/or photographs, the authenticity of which must be certified if the contracting authority so requests; (ii) certificates drawn up by official quality control institutes or agencies of recognised competence attesting the conformity of products clearly identified by references to specifications or standards

To be provided by the Pre Qualification Questionnaire.

Minimum level(s) of standards possibly required:

Evidence of the capability to supply paints, varnishes, thinners, fillers and anti corrosive preventatives to a high level of quality and service. Evidence required of a systematic and professional approach to Capability and Supply Chain Management . Evidence of adherence to the Government Buying standards for Paint to EC Directive 2004/42/CE that have been transposed into UK law by Regulation in 2005 which were amended in 2009,2010 and 2012 . This is a mandatory pass/ fail element of the Pre Qualification Questionnaire Applicants who do not supply this evidence will not be invited to tender.

ISO 9001:2008 certification by a UKAS (or equivalent) accredited body with scope to cover the supply of articles with the Common Procurement Vocabulary (CPV) range of 44800000-Paints,

varnishes and mastics and to exclude other articles within the range of CPV Construction structures and materials; auxiliary products to construction (excepts electric apparatus). Applicants who do not supply evidence of certification will not be invited to tender.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

III.3.2. Information about staff responsible for the performance of the contract

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Restricted

IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged minimum number 5: and Maximum number 6

Objective criteria for choosing the limited number of candidates: Applicants responses to the Pre Qualification Questionnaire for the following criteria will be scored in order to choose the limited number of candidates: Capability; Supply Chain Management; Performance Management ,Sustainability and Innovation.

Pass / Fail and scored element for Supply Chain Management and Capability criteria.

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction will be used: yes

Additional information about electronic auction: Yes. A Reverse Auction, conducted using electronic means, may be used as part of the procurement process for this requirement.

Specific relevant information on Reverse Auction usage will be given in the Invitation to Tender.

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

MEDGS/0069

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

Payable documents: no

IV.3.4.

Time limit for receipt of tenders or requests to participate

1.8.2013 - 23:59

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

English.

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

IV.3.8. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement, and the contract will be awarded on the basis of the most economically advantageous tender. Suppliers interested in working with the Ministry of Defence should register on the MOD Supplier Information Database (SID) Register, available at www.contracts.mod.uk. The MOD SID is a database of active and potential suppliers available to all MOD and UK Defence procurement personnel, and is the main supplier database of MOD Procurement organisations. Please note: the registration and publication of a company profile on the MOD SID does not mean or imply that the supplier has in any way been vetted or approved by the MOD. Suppliers wishing to compete for advertised MOD contracts must respond to any specific call for competition by submitting a separate expression of interest in accordance with the instructions of the purchasing organisation.

Advertising Regime OJEU:- This contract opportunity is published in the Official Journal of the European Union (OJEU), the MoD Defence Contracts Bulletin and www.contracts.mod.uk GO Reference: GO-201372-DCB-4921673
