2.1. Procedure

Title: (25369) Sweeping of municipal roads

Description: The competition is for the delivery of a sweeping of municipal roads to Moss municipality. (Only applies to sweeping after winter operations). The estimated value per annum and the maximum value for the entire contract period per zone/group, including any options and the expected price rise are stated in point 1.1.4. The need is uncertain. The volume can vary both up and down and the contract period will depend on, among other things, the contracting authority's needs, activities, budgetary situations and other framework factors. The contracting authority reserves the right to cancel the competition, i.a. for budgetary coverage and administrative, possibly political approval. The contracting authority has assessed the procurement against the apprentice regulations, cf. the Procurement Act § 7, and concluded that there is no requirement for apprentices in this procurement, as the contract's main element does not include work where it is relevant to use labour with vocational certificates, cf. the apprentice regulation § 6 (3). See the procurement documents for further information.
