Email: jrc-ptt-procurement@ec.europa.eu

Legal type of the buyer: EU institution, body or agency

Activity of the contracting authority: General public services

2. Procedure

2.1. Procedure

Title: NL-Petten: Engineering-, design- and consultancy services, including provision of support and performance of studies during various phases of construction and/or refurbishment projects.

Description: The JRC Petten is aiming to conclude a contract for engineering and consultancy services. It concerns the development of designs and studies for the procurement and future implementation of various construction and/or renovation projects of buildings and facilities of varying size and complexity. It also includes consultancy services on various matters related to different topics such as installation maintenance, environmental and energy aspects, licensing, project development, and so on. Furthermore, it entails supervision of the construction phase of technical works executed by contractors on the Petten site.
