European institution/agency or international organisation

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Control Scheme for Recreational Catches of Sea Bass

Reference number: MARE 2019/06

II.1.2. Main CPV code

79000000 Business services: law, marketing, consulting, recruitment, printing and security

II.1.3. Type of contract

Services

II.1.4. Short description

Reinforce the control schemes for recreational catches of sea bass in the Atlantic by providing a state of the art assessment, identify best practices and develop innovative IT tools for the effective control and monitoring of recreational fisheries.

II.1.5. Estimated total value

Value excluding VAT: 300 000,00 EUR

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: BE Belgique / België

Main site or place of performance: The tasks are to be performed at the premises designated by the contractor save where meetings are to be held at European Commission's premises.

II.2.4. Description of the procurement

The main aim of this pilot project is to reinforce the control schemes for recreational catches of sea bass in the Atlantic. The project shall evaluate available control and monitoring measures and tools, identify strengths and weaknesses of available solutions, explore good practices and propose clear recommendations and guidelines to improve the recreational sea bass control schemes. The work shall also include the creation and/or development and testing of IT applications to ensure a more efficient and harmonised control of recreational fisheries. The IT tools might also contain optional features to facilitate recreational fishers' activities.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 300 000,00 EUR

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 12

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: yes

Identification of the project: Pilot project "Control scheme for sea bass recreational catches" presented by the European Parliament in 2018 aimed at testing a control scheme for catches of sea bass made by recreational fishermen, in order to provide the EU legislator with more options for sea bass management.

II.2.14. Additional information

Section III: Legal, economic, financial and technical information
