II.1.4. Short description of the contract or purchase(s)

The procurement concerns framework agreement for collection, transport and treatment of waste as defined by volume, for entities that are part of Helse Møre og Romsdal HF. (See Annex 3A, B AND C)

Please note that the number of locations/placement/volume is not static as any changes in needs, internal organisation, budget and procedures can cause minor changes. Whoever wins

the tender will therefore be obliged to deal with new locations and cannot claim against the Contracting Authority if the number of locations/placements/volume is reduced. With considerable changes, both parties will, according to the framework agreement, have the right to renegotiate the terms of the agreement.

Framework agreement will be entered into with 1 supplier which will cover all of the collection locations in Helse Møre og Romsdal.

The tender must also include all activities within these locations.

Prices are all requested for the following:

Hire of collection equipment, waste/return points, containers, environmental boxes and other equipment.

The security advisor (cf. Regulation about land transport) who shall represent the customer in relation to land transport of medical and clinical waste.

Please note that the last 2 points are to be considered as options, i.e. they will not be emphasised in the choice of supplier for waste management.

On the basis of the tender, a framework agreement will be established with a duration of 3 years with an option for extension for a further 1 year.
