Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure Accelerated procedure Justification:

This invitation is being extended to suppliers through the OJEU accelerated open procedure. Further to the unsuccessful conclusion of an open procedure, timelines do not allow for the application of prescribed standard timescales for an open procedure. The current cardiac catheter laboratory equipment is at the end of its life which poses a critical risk to the health

and mortality of patients who will have procedures delayed, Therefore, to ensure delivery of effective patient care without detriment to safety, the accelerated procedure is being applied. There is no suitable alternative provision available in the local area.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes
