This contract will be for a period 1.9.2019 to 31.3.2021 with the option for 2 further extensions of up to a 12 month period.

Sefton Council as lead authority for the North West Regional Coastal Monitoring Programme, acting on behalf of the North West and North Wales Coastal Group, collects coastal process

and coastal response information to support the delivery of the Shoreline Management Plan and sustainable coastal management decisions. It achieves this by undertaking and commissioning a range of surveys to collect the appropriate datasets.

The North West Regional Coastal Monitoring Programme is a partner of the National Network of Strategic Regional Coastal Monitoring Programmes.

The programme recognises the need to collect data in a safe, effective and efficient manner and regularly review the data collection methods and techniques.
