Tenders or requests to participate must be submitted to the abovementioned address

I.6. Main activity

Water

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Reagenta – dūņu atūdeņošanas procesa fugāta putu dzēsēja piegāde (Supply of reagent – sludge dewatering fugate defoamer)
Reference number: RŪ-2020/43

II.1.2. Main CPV code

24320000 Basic organic chemicals

II.1.3. Type of contract

Supplies

II.1.4. Short description

Supply of the sludge dewatering fugate defoamer (hereinafter - the Product) to the Contracting Authority in accordance with the Technical Specification and conditions of the draft procurement contract.

Supply amount – up to 11 000 kg (eleven thousand kilograms) of the Product within approximately 1 (one) year from the date of entry into force of the Contract (The Contracting Authority orders the Product in separate batches).

Delivery term of Product batches: no longer than 30 (thirty) calendar days from the date of sending the individual order.

The Tenderer may submit 1 (one) or 2 (two) versions of the offer (i.e., offer no more than 2 (two) Products conforming to the technical specification laid down in Annex No. 2 to the Regulations).

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: LV006 Rīga

II.2.4. Description of the procurement

Supply of the sludge dewatering fugate defoamer (hereinafter - the Product) to the Contracting Authority in accordance with the Technical Specification and conditions of the draft procurement contract.

Supply amount – up to 11 000 kg (eleven thousand kilograms) of the Product within approximately 1 (one) year from the date of entry into force of the Contract.

II.2.5. Award criteria

Criteria below

Quality criterion - Name: Defoamer reaction time from 1 to 10 seconds Fastest reaction time – maximum number of points / Weighting: 40

Quality criterion - Name: Amount of defoamer per unit of treated fugate from 1 to 50 g/m³. Lowest amount – maximum number of points / Weighting: 40

Cost criterion - Name: Defoamer price per 1kg indicated in the financial offer. Lowest price – maximum number of points / Weighting: 20

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 12

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: yes

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

A Tenderer can be a capital company, partnership or association of the mentioned companies (group of persons) registered in Latvia or abroad.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

1) The Tenderer is the manufacturer of the offered Product or an authorised representative of a manufacturer of the Product.

2) The Tenderer has previous experience in supplying the offered Products (equivalent to the subject of the procurement) to other customers (legal persons) and the Tenderer has carried out supply of Products in the amount of at least 5000 kg (five thousand kilograms) in 1 (one) year to at least one customer during the previous 3 (three) years (until the deadline for submission of offers).

3) To solve technical support issues, if any arise due to the use of the Product, the Tenderer is able to provide a specialist of the Product manufacturer with knowledge in the field of waste water sludge treatment using anti-foaming agents and at least 5 (five) years of experience in solving waste water treatment technological problems.

III.1.8. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

If a group of persons is selected as the winner of the Open Procedure, within 10 (ten) working days after receiving the respective notification from the Contracting Authority the group of persons has to establish a partnership and register it in compliance with the procedure specified in law.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

The Contract comes into force upon its mutual signing by both Parties and is valid until the Parties have completely fulfilled their obligations.

Within the framework of the Contract, 11,000 kg (eleven thousand kilograms) of the Product shall be delivered in accordance with the Order.

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure

IV.1. Description
