2.1. Procedure

Title: DAS for Temporary Deployment of External Professionals

Description: Invest International establishes a Dynamic Purchasing System (DAS) to manage its recurring need for the temporary deployment of external professionals in a legally compliant, efficient and flexible manner. The open structure of a DAS allows new suppliers to join at any time and enables the organisation to select the most suitable provider for each Assignment. This approach provides transparency, promotes competition and ensures value for money while accommodating the organisation's irregular yet specialised staffing needs. Further details about the DAS and the different categories can be found in the tender document. 14..000.000 Euro based on a period of 4 years.
