Direct award

:

Justification for direct award: Purpose of the contract is purely research, experiment, study or development under the conditions stated in the Directive

Other justification: Procedimiento negociado sin publicidad sujeto a regulación armonizada, en virtud de lo dispuesto en el artículo 168.c.1º de la LCSP (cuando los productos se fabriquen exclusivamente para fines de investigación, experimentación, estudio o desarrollo; esta condición no se aplica a la producción en serie destinada a establecer la viabilidad comercial del producto oa recuperar los costes de investigación y desarrollo). Justificación: dado que la naturaleza del suministro requiere la fabricación de un equipamiento a medida (con diseño y desarrollo específico) y su destino exclusivo es la investigación, la experimentación y el estudio sin finalidad comercial o de producción en serie, queda debidamente justificada la aplicación del procedimiento negociado sin publicidad del artículo 168, apartado c) 1º, de la Ley 9 Público. Se requiere un diseño y fabricación ad hoc, ya que no existen soluciones estandarizadas o productos de catálogo en el mercado que puedan cumplir con la totalidad de las especificaciones técnicas concretas y su necesaria integración. El fabricante no se limita a suministrar un producto, sino que debe diseñar la ingeniería, fabricar componentes bajo demanda e integrar la solución completa, lo que se califica como una actuación propia de desarrollo tecnológico.
