### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions for participation**

##### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

##### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to comply with the contract.

Minimum level(s) of standards possibly required:

Credit rating equivalent to score A (credit worthy) or better, measured on the Bisnode Norge AS AAA rating system - or equivalent score from other reputable credit rating agencies. The rating must be based on the last known accounting figures and it must be carried out by a credit information agency with permissions thereof.

Newly started companies with a credit rating of AN, individual foreign companies or companies without reporting obligation to the Brønnøysund Register Centre will not always be able to submit a credit rating as documentation that the qualification requirement is satisfied. In such cases, this can be compensated by providing alternative documentation together with the tender.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the contracting authority deems suitable.

##### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

The tenderer must have experience from comparable assignments.

Minimum level(s) of standards possibly required:

A description of the tenderer's minimum 3 most relevant assignments in the last 3 years, annex 6 - the Response Form on experience must be completed. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description.
