General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Joint government contract for the procurement of telephony services - secondary provider

Reference number: 21/126

II.1.2. Main CPV code

64200000 Telecommunications services

II.1.3. Type of contract

Services

II.1.4. Short description

DFØ c/o Statens innkjøpssenter (SI) intends to enter into a joint government contract with a secondary provider for the procurement of telephony services. Joint contract for government entities in the civil sector that are covered by the procurement scheme. A share of up to 15 percent has been set by the joint contract's mobile subscribers that can be procured from a secondary provider.

Si has entered into a contract with Telia Norge AS as the primary provider. There is a limitation for the award of contract to a secondary provider: Tenderers that operate in the same operator network as the primary provider cannot be awarded a contract as a secondary provider. This means that tenderers in this contest for a secondary provider must operate in an alternative operator network than Telia Norge AS.

The contract with a secondary provider will be valid from 15.08.2022.

II.1.5. Estimated total value

Value excluding VAT: 150 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

64210000 Telephone and data transmission services, 64212000 Mobile-telephone services

II.2.3. Place of performance

NUTS code: NO Norge

Main site or place of performance: Nationwide in Norway

II.2.4. Description of the procurement

DFØ c/o Statens innkjøpssenter (SI) intends to enter into a joint government contract with a secondary provider for the procurement of telephony services. Joint contract for government entities in the civil sector that are covered by the procurement scheme. A share of up to 15 percent has been set by the joint contract's mobile subscribers that can be procured from a secondary provider.

Si has entered into a contract with Telia Norge AS as the primary provider. There is a limitation for the award of contract to a secondary provider: Tenderers that operate in the same operator network as the primary provider cannot be awarded a contract as a secondary provider. This means that tenderers in this contest for a secondary provider must operate in an alternative operator network than Telia Norge AS.

The contract with a secondary provider will be valid from 15.08.2022.

II.2.5. Award criteria

Criteria below

Price

II.2.6. Estimated value

Value excluding VAT: 150 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation:

Norwegian tenderers: Company registration certificate.

Foreign tenderers: Documentation that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contractual obligations.

Documentation:

Credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating company with licence to conduct this service.

The contract owner will assess the size of the turnover, annual results, as well as key figures in the balance sheet. The contract owner reserves the right to obtain further credit rating information or other economic information. This includes, but is not limited to, Annual Financial Statement including notes, the Board' Annual Report and Auditor Reports.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: Tenderers must have relevant experience from the provision of telephony services to company customers.

Documentation: Description of the tenderer's 3 most relevant contracts in the course of the last 3 years. The description must include a statement of the assignment's value, date of delivery, and the name of the recipient.

Requirement: Tenderers must have sufficient capacity, resources, and suitable manpower to comply with the contractual obligations.

Documentation:

1. A statement must be given of the tenderer's average annual workforce and the number of employees in management in the last three years.
2. A description of the proportion of the contract and the areas for which the tenderer expects to engage a sub-provider.

Requirement: Tenderers must have a quality assurance system relevant to the implementation of the delivery.

Documentation requirement:

Certificate for the tenderer's quality assurance system, issued by an independent body, confirming that confirm that the tenderer fulfils certain quality assurance standards, for example ISO 9001 or equivalent.
