I.2. Type of the contracting authority

Other: intermunicipal waste company

I.3. Main activity

General public services

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

Transport and treatment of residue waste.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 16: Sewage and refuse disposal services; sanitation and similar services

Main site or place of performance: Tønsberg and Larvik.

NUTS code NO033 Vestfold

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The service comprises the transport and treatment of residue waste that has been collected from households in Vesar's owner municipalities. The waste shall be transported from loading stations in Larvik and Tønsberg and treated in an energy recovery facility.

II.1.6. CPV code(s)

90513300 Refuse incineration services, 90510000 Refuse disposal and treatment, 90512000 Refuse transport services, 90513000 Non-hazardous refuse and waste treatment and disposal services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The estimated amount is 28 000 tons/annum residue waste. The residue waste shall be collected from 2 loading stations in Larvik and Tønsberg.

A R and D project is being planned, where a limited amount of residue waste (approx. 20 %) will be taken out of this contract for a limit period.

A contract will be signed for 2 years with the contracting authority having the right to an extension for 1+1 year.

II.2.2. Information about options

Options: yes

Description of options: Option 1 — Transport and treatment of approx. 20 % reduced amount of residue waste if the R and D project is carried out for a limited period.

Option 2 — Transport of approx. 20 % reduced amount of residue waste to the R and D project with biogas as fuel (voluntary option).

Provisional timetable for recourse to these options:
in months: 12 (from the award of the contract)

II.2.3. Information about renewals

This contract is subject to renewal: yes

Number of possible renewals: 2

In the case of renewable supplies or service contracts, estimated timeframe for subsequent contracts:

in months: 24 (from the award of the contract)

II.3. Duration of the contract or time limit for completion

Start 1.1.2017. Completion 31.12.2018

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Tenderers shall, at their expense, provide security for their obligations in the contract, including penalty interest and recovery costs.

(See the tender documents annex 2, Contract Terms).

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Security shall be provided as a 'demand guarantee' from a bank, insurance company or other credit institution. The size of the security shall be 10 % of the annual contract sum.

(See the tender documents annex 2, Contract Terms).

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Tenderers shall be a legally established company (company registration certificate).

Tenderers shall have their tax and VAT payments in order (tax and VAT certificate).

Tenderers shall have a functioning HSE system (self-declaration).

Tenderers shall have acceptable wages and working conditions for their employees (self-declaration).

(See tender documentation for further information).

III.2.2. Economic and financial ability

List and brief description of conditions: Tenderers must have the financial capacity to fulfil the assignment/contract and be credit worthy A or better (see the tender documentation).

Minimum level(s) of standards possibly required: Tenderers are required to achieve credit rating A or better.

III.2.3. Technical and professional ability

List and brief description of conditions:

Tenderers shall have a satisfactory quality system that covers the services that shall be offered (description).

Tenderers shall have experience from equivalent assignments (references in the last 3 years).

Tenderers shall have sufficient implementation ability and capacity (description).

Tenderers shall have access to transport material (description).

Tenderers shall have available capacity to treat the waste with the stated amounts (treatment facility is to be described).

Tenderers shall have access to spare capacity for treatment (description).

(See tender documentation for further information).

Minimum level(s) of standards possibly required:

Vehicles with engine class Euro 5 or higher are required.

Energy recovery (energy efficiency) $R1 < 0,7$ is required for the offered treatment facility.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

604626-02

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

17.8.2016 - 12:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

Other: Norwegian.

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

IV.3.8. Conditions for opening of tenders

Date: 17.8.2016 - 14:00

Place: Official name: Asplan Viak AS

National registration number: 910209205

Postal address: Kjelleveien 21

Town: Tønsberg

Postal code: 3125

Country: Norway

For the attention of: Astrid Finstad Brevik

Persons authorised to be present at the opening of tenders: no

Section VI: Complementary information
