III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Please refer to the tender documents.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Please refer to the tender documents.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Tenders can be submitted by consortia of 2 or more economic operators ('joint tender'). Each legal entity will be required to become a party to the contract in case of award, and shall assume joint and several liability towards the contracting authority for the fulfilment of the terms and conditions of the contract. The consortium shall nominate 1 legal entity ('the leader')

who will have full authority to bind the consortium and each of its members when presenting an offer and signing the contract (proof must be submitted with the offer), and will be responsible for the administrative management of the contract (invoicing, receiving payments, etc.) on behalf of all other entities.

It is mandatory that joint offers or offers from groupings include a letter of intent from each member of the grouping including subcontractors confirming their participation as described in the submitted bid in case of award of the contract.

Subcontracting is allowed but the contractor shall retain full liability towards the contracting authority for implementation of the contract.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the contracting authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

Should a contract be awarded, the contractor will need to produce the supporting documents required in Article 143(2) in conjunction with Article 143(3) of the rules of application (No 1268 /2012 of 29.10.2012) of the same Regulation.

III.2.2. Economic and financial ability

List and brief description of conditions: a) a statement of annual turnover and annual turnover concerning supplies covered by the contract for each of the last 3 financial years for which accounts have been closed.

Minimum level(s) of standards possibly required: For point III.2.2 a) the average annual turnover shall be greater than 120 000 EUR for the last 3 closed financial years.

In the case of a grouping of contractors, this criterion will be assessed in relation to the combined capacities of all members of the grouping.

III.2.3. Technical and professional ability

List and brief description of conditions:

a) a list of the principal supplies delivered in the past 3 years, with the sums, dates and recipients, public or private.

Minimum level(s) of standards possibly required:

For point III.2.3 a) a list of at least 3 similar supplies delivered during 2013.

In the case of a grouping of contractors, this criterion will be assessed in relation to the combined capacities of all members of the grouping.
