## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions related to the contract**

#### **III.1.1. Deposits and guarantees required**

#### **III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

Monthly payments in terms with contract.

#### **III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

#### **III.1.4. Contract performance conditions**

The performance of the contract is subject to particular conditions: no

### **III.2. Conditions for participation**

#### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: (1) All candidates will be required to produce a certificate or declaration demonstrating that they are not bankrupt or the subject of an administration order, are not being wound-up, have not granted a trust deed, are not the subject of a petition presented for sequestration of their estate, have not had a receiver, manager or administrator appointed and are not otherwise apparently insolvent.

(2) All candidates will be required to produce a certificate or declaration demonstrating that the candidate, their directors, or any other person who has powers of representation, decision or control of the candidate has not been convicted of conspiracy, corruption, bribery, or money laundering. Failure to provide such a declaration will result in the candidate being declared ineligible and they will not be selected to participate in this procurement process.

(3) All candidates will be required to produce a certificate or declaration demonstrating that they have not been convicted of a criminal offence relating to the conduct of their business or profession.

(4) All candidates will be required to produce a certificate or declaration demonstrating that they have not committed an act of grave misconduct in the course of their business or profession.

(5) All candidates must comply with the requirements of the State in which they are established, regarding registration on the professional or trade register.

(6) Any candidate found to be guilty of serious misrepresentation in providing any information required, may be declared ineligible and not selected to continue with this procurement process.

(7) All candidates will have to demonstrate that they are licensed, or a member of the relevant organisation, in the State where they are established, when the law of that State prohibits the provision of the services, described in this notice, by a person who is not so licensed or who is

not a member of the relevant organisation.

(8) All candidates will be required to produce a certificate or declaration demonstrating that they have fulfilled obligations relating to the payment of social security contributions under the law of any part of the United Kingdom or of the relevant State in which the candidate is established.

(9) All candidates will be required to produce a certificate or declaration demonstrating that they have fulfilled obligations relating to the payment of taxes under the law of any part of the United Kingdom or of the relevant State in which the economic operator is established.

as detailed in pre-qualification process document [www.nisp.co.uk/opportunities](http://www.nisp.co.uk/opportunities)

### **III.2.2. Economic and financial ability**

List and brief description of conditions: (1) All candidates will be required to provide a reference from their bank.

(2) All candidates will be required to provide evidence of relevant professional risk indemnity insurance.

(3) All candidates will be required to provide a statement, covering the 3 previous financial years including the overall turnover of the candidate and the turnover in respect of the activities which are of a similar type to the subject matter of this notice.

(4) All candidates will be required to provide statements of accounts or extracts from those accounts relating to their business.

as detailed in pre-qualification process document [www.nisp.co.uk/opportunities](http://www.nisp.co.uk/opportunities)

Minimum level(s) of standards possibly required: as detailed in pre-qualification process document [www.nisp.co.uk/opportunities](http://www.nisp.co.uk/opportunities)

### **III.2.3. Technical and professional ability**

List and brief description of conditions:

(1) A statement of the candidate's average annual number of staff and managerial staff over the previous 3 years.

(2) Details of the educational and professional qualifications of their managerial staff; and those of the person(s) who would be responsible for providing the services or carrying out the work or works under the contract;

(3) All candidates will be required to provide certification from an independent body attesting conformity to environmental management standards in accordance with the Community Eco-Management and Audit Scheme (EMAS); or the European standard BS EN ISO 14001.

(4) All candidates will be required to provide certification drawn up by an independent body attesting the compliance of the economic operator with quality assurance standards based on the relevant European standards.

(5) Samples, descriptions and/or photographs, the authenticity of which must be certified if the contracting authority so requests.

(6) A statement of the principal goods sold or services provided by the supplier or the services provider in the past 3 years, detailing the dates on which the goods were sold or the services provided; the consideration received; the identity of the person to whom the goods were sold or the services were provided.

(7) A check may be carried out by the contracting authority or by a competent official body of the State in which the candidate is established, to verify the technical capacity of the candidate; and if relevant, on the candidates study and research facilities and quality control measures.

(8) A statement of the candidate's technical facilities; measures for ensuring quality; and their study and research facilities.

(9) An indication of the proportion of the contract which the services provider intends possibly

to subcontract.

(10) A statement of the technicians or technical services available to the candidate to carry out the work under the contract; or be involved in the production of goods or the provision of services under the contract; particularly those responsible for quality control, whether or not they are independent of the candidate.

(11) A statement of the tools, plant or technical equipment available to the service provider or contractor for carrying out the contract.

(12) A list of works carried out over the past 5 years, detailing the value of the consideration received; when and where the work or works were carried out; and whether they were carried out according to the rules of the trade or profession and properly completed.

as detailed in pre-qualification process document [www.nisp.co.uk/opportunities](http://www.nisp.co.uk/opportunities)

#### **III.2.4. Information about reserved contracts**

#### **III.3. Conditions specific to services contracts**

##### **III.3.1. Information about a particular profession**

##### **III.3.2. Information about staff responsible for the performance of the contract**

### **Section IV: Procedure**
