VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

The objective of the evaluation process is to assess the responses to the tenders submitted; the tender evaluation exercise will seek to balance the issues of quality and price to ensure that the bidder chosen offers the best deal for the Trust.

Upon receipt of formal tenders, the Trust will be concerned to ensure that there has been full compliance with the ITT documents, and all necessary information has been supplied. The information supplied will be checked for completeness and compliance before responses are evaluated. The Trust shall not be bound to accept the lowest price of any bid submitted.

Section M will be marked on a pass/fail basis and this will entail conducting an independent financial credit check along with the taking up of references. A D&B Failure score, obtained from Sid4health, of 20 or less will constitute a fail.

Those tenders failing to meet these minimum requirements will not be considered.

The weighting criteria project price element for scoring the tender will be evaluated on the basis of 60 % quality and 40 % price.
