Options: yes

Description of options:

Different options for maintenance and cover for unscheduled service intervention costs

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

According to the European Parliament and Council Directive No 2014/24/EC of The European Parliament and of The Council, Article 32.2, point b, Technical University of Denmark states that this acquisition is an expansion of existing installations. There are fixed validated methods that cannot be replaced by other products and the university believes that in order to compare future results with those obtained by our co-workers in Biosustain Section Satellite laboratories at UCSD, California USA the equipment must be identical to the equipment used in this other setting
