Standing List, Main Building Contractors, West Yorkshire Fire and Rescue Authority.

II.1.2. Type of contract and place of performance or delivery

Works
Execution
Main site or place of performance: West Yorkshire.
NUTS code UK United Kingdom

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

Standing List, Main Contractors, West Yorkshire Fire and Rescue Authority
Expressions of interest are invited from suitable Contractors wishing to be considered for our

new Standing List of Main Building Contractors to develop new fire stations in the West Yorkshire area. Approximately nine new fire stations (of approx. value 2 m. GBP. each) are required across West Yorkshire over the next three years. Subsequent future requirements may involve other fire stations or fire authority buildings. The developments may be let in single lots or in groups.

Responses are requested from Principal Building Contractors who are able to offer a full construction and management package for traditionally tendered projects.

Interested parties should respond to the address stated, providing a summary of their capabilities and previous working experience of similar project involvement and public sector or 'Blue Light' working. They should provide organisation details, financial details, banking and operating references, organisation policies and arrangements.

Submission details must be timely and in accordance with the full requirements of the OJEU Notice. Failure to provide all relevant required information may result in disqualification.

Responses will be assessed for suitability during shortlisting procedures.

Please refer to the full OJEU Notice for detailed pre-qualification requirements which are to be submitted by 12:00 noon on 28.6.2013 to Mr. R A Davison, Property Manager, West Yorkshire Fire and Rescue Authority, Oakroyd Hall, Birkenshaw, West Yorkshire, BD11 2DY.

Please Note: There is No Pre-Qualification Questionnaire.
