### III.1. Conditions for participation

#### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a legally established company.

Declared in the tender letter, part I annex 1.

To be documented upon request:

- Norwegian companies: Company registration certificate.
- Foreign companies: proof that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established.

#### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient financial capacity to fulfil the contract.

To be given in the ESPD

To be documented upon request:

- Credit evaluation/rating, not older than 3 months, and which is based on the last known fiscal figures. The rating must be carried out by an officially certified credit rating institution. If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position by presenting a declaration from a financial institution on surety.

Minimum level(s) of standards possibly required:

Tenderers must have minimum rating A or equivalent.

To be given in the ESPD

To be documented upon request:

- Credit evaluation/rating, not older than 3 months, and which is based on the last known fiscal figures. The rating must be carried out by an officially certified credit rating institution. If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position by presenting a declaration from a financial institution on surety.

#### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have sufficient capacity and resource to implement the contract, including being able to deliver to several entities throughout Greenland.

To be given in the ESPD

To be documented upon request:

- a description of the requested capacity;
- an overview of the tenderer's work force;
- a description of the proportion of the contract and which areas the tenderer expects to engage a sub-supplier for.

Tenderers must have relevant experience from equivalent deliveries to those described in tender documentation, including:

- customers with a large geographical spread;
- extensive number of delivery locations.

Tenderers must have good experience from the execution of equivalent deliveries/comparable assignments.

A list with an overview and description of the tenderer's most relevant assignments during the last 3 years.

The list/description must, as a minimum, contain:

- name of customer/recipient;
- scope of the assignment;
- description of the company's role.
