Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Molde / Spjelkavik, Norway.

NUTS code NO053 Møre og Romsdal

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

Møre og Romsdal county, as the contracting authority, invite tenderers to a tender competition for the following services for K452 Spjelkavik sixth form college.

- Assistant Project Manager;
- Engineering design manager;
- BL (option);
- BHO (option).

The tender competition is for the role of assistant project manager and engineering design manager for the project with the overall aim of planning and executing the project in the most resourceful way within the project's economic, progress and qualitative frameworks.

Furthermore, there will be an option for construction management and builder ombudsman depending on what contract form is chosen.

All tenders must be submitted electronically via the Mercell portal at www.mercell.no by the tender deadline. Late tenders will be rejected. (The system does not allow tenders to be sent in electronically via Mercell after the deadline for receipt of tenders).

If you are not a Mercell user, or you have any questions related to functionality of the tool, for example, how to give quotes, please contact Mercell Support on tel: +47 21018860 or e-mail to: support@mercell.com.

It is recommended that the tender is submitted well before the deadline, for example a minimum of 1 hour before the tender deadline expires.

Should there be additional information from the Contracting Authority which leads to you wanting to change your tender before the tender deadline expires, you can go in and open the tender, make any changes and resubmit right up until the tender deadline expires. The last received tender is regarded as the final tender. The new offer must satisfy the same formal requirements.

The tender requires electronic signature upon delivery.

During the submission of the tender you will be asked for an electronic signature to prove that it is the actual tenderer who has sent the offer. You can obtain an electronic signature at www.commfides.com, www.buypass.no or www.bankid.no. Please note that it may take several days for the electronic signature to be delivered to you and as such this process should be initiated as soon as possible.

Mercell recommends that you test sign the available certificate as soon as possible (well before the tender deadline). The test functionality is located in the registration/tender submission steps.

The Contracting Authority uses Mercell Sourcing Service. To express your interest and gain access to any documents, please click on the link below or copy and paste the link into your browser. [<http://permalink.mercell.com/45704376.aspx>]. Then follow the instructions on the website.
