no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a legally established company.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have good economic and financial capacity to fulfil the contract and must fulfil the following requirements:

- tenderers must have positive equity,
- an average annual turnover of minimum 25 000 000 NOK in the last 3 financial years,
- tenderers must have an equity ratio of at least 10 %.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have sufficient experience of a relevant nature and degree of difficulty from the following work:

- 1) The main disciplines included in the assignment include: operation and maintenance of roads;
- 2) The following sub-assignments are of significant importance for the contract work:
 - winter operations,
 - clearing traffic areas/traffic objects,
 - construction notification and traffic management,
 - operation and maintenance of road objects.

Tenderers are also required to refer to references for relevant contracts that they themselves have carried out in a satisfactory manner.

The contract must be sufficiently staffed and that the tenderer must have the capacity and ability to deal with unforeseen circumstances in the contract.

Technical and professional competency and relevant experience is required of the key personnel who will be engaged in this assignment.

Tenderers must have a system that shows that they work pro-actively to ensure safety, health and working environment (SHA), with relevance for equivalent work to that included in this competition. The system will be subject to periodic review.

Tenderers and their central contractual partners ought to have an average H1 value lower than 15 for the last 3 years.

Tenderers must be certified in accordance with ISO 14001 (2015), EMAS (EU Eco-Management and Audit Scheme for environmental management) or Eco-lighthouse.

Tenderers must be certified in accordance with ISO 9001 (2015), or for the part of the organisation that has contractual obligations to the builder; establish, implement, maintain and, when necessary, update a quality system with equivalent requirements to those in ISO 9001 (2015).

Section IV: Procedure

IV.1. Description

IV.1.1.

Type of procedure

Open procedure Accelerated procedure Justification:

0702 Vestfold west has been announced and cancelled twice. Only one tender was received in the last contest. The contest was cancelled due to a lack of sufficient subsidies to enter into a contract with the tenderer. A decision has been made to split up 0702 Vestfold west into three smaller contracts, 0702 Vestfold south, 0703 Vestfold north, and 0704 Vestfold national roads. The contract requires competence, staff and equipment suitable for the contract area. We can sign a contract in early July by using the deadlines in the PPR §20-2 (3). This will give the chosen tenderer time to mobilise the resources that must be in place by 1.9.2019. Contract 0703 north comprises county roads to the west of the E18, in the previous area for the Vestfold north operational contract. The contract requires competence, staff and equipment suitable for the contract area. We can sign a contract in early July by using the deadlines in the PPR §20-2 (3). This gives the chosen tenderer time to mobilise the resources that must be in place by 1.9.2019.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 12/06/2019 Local time: 12:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.2.4. Languages in which tenders or requests to participate may be submitted

Norwegian

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 15/07/2019

IV.2.7. Conditions for opening of tenders

Date: 12/06/2019 Local time: 12:00

Place:

The tenders will be opened electronically in KGV [the tender management tool].

Information about authorised persons and opening procedure: Not open to the public.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

A tender conference will be held on 28.5.2019 at 12:00. Address: The Road Division in Vestfold, Anton Jenssensgate 5 Tønsberg.

VI.4. Procedures for review

VI.4.1. Review body
