Short description of the contract or purchase(s)

Consultants are required to update the West Yorkshire Fire & Rescue Service Approved Standing List for Detailed Design and Project Management Services.

Initially, 5 new fire stations (of approximate value 2 000 000 GBP each) are potentially required in the next 3 years. Subsequent requirements may involve a number of other fire stations or other administrative or authority buildings. Fee Tendering and the appointment of Consultants may be for single scheme appointments e.g. a single Fire Station project, or may be for a combination of 2 or more schemes.

Responses are requested from lead consultancy organisations who are able to offer a fully integrated, detailed design and project management package. This will involve all associated construction design disciplines including Architectural, Structural, Mechanical and Electrical Services, CDM, Quantity Surveying and Project Management. The Consultancy Team may be from one organisation or provided through established, effective, proven and reliable working arrangements with other practices.

Interested parties should respond to the address below providing a summary of their capabilities and previous working experience of similar project involvement and local government working. They should provide organisation practice details of main and associate working consultancies, financial details, banking and practice references and organisation policies and arrangements.

Responses must be returned by Friday 25.1.2013 to:

The Property Manager, West Yorkshire Fire & Rescue Authority, Oakroyd Hall, Birkenshaw, West Yorkshire, BD11 2DY, England.
