II.1.4. Short description

Sporveien is looking for a future-oriented and proven solution for project hotels that are used for development projects in similar industries such as transport, infrastructure, construction and civil engineering. The solution must first and foremost correspond to the Development Department's projects, where Sporveien plays the role of client.

The solution must support best practices for information management, document management and digital collaboration with internal and external parties in projects, including management, follow-up and making project information available.

The solution must have a simple and intuitive interface, which ensures the sharing of information and communication with internal and external parties and contributes to optimal project management. This should be a cloud solution with as little development need as possible. The framework for the competition is further described in a separate document which can be found at <https://anbud.sporveien.com/sporveien/>
