II.1.4. Short description

On behalf of North Lincolnshire Council and North East Lincolnshire Council, North Lincolnshire Council has concluded a procurement exercise for a Framework for the Provision of Printing and Publication Services. North Lincolnshire Council and North East Lincolnshire operate a collaborative partnership for all printing and design projects. Whereas a large proportion of work is commissioned in house, this framework agreement will form the basis for the print Hub+ external procurement strategy.

NLC and NELC produce a wide range of printed promotional material and stationary items. Although they can print many such items using in-house plant there are occasions when it is more economically advantageous for them to offer all or part of such work to external suppliers. It will utilise this framework where such occasions arise.
