II.2.4. Description of the procurement

The framework agreement will cover the contracting authority's need for the delivery of printed and digital teaching aids, an ordering system for teaching aids, as well as an administration system for licence management of digital teaching aids for the contracting authority's schools and education entities.

For further information about the contents of the procurement, please see part II Annex 1.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 120 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: yes

Description of renewals:

2 extension(s), each for 12 months

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

As the printed and digital teaching aids will mainly be distributed and procured together, they are included in the same contract. In order to ensure a user friendly and efficient management

and use of digital teaching aids, an administration system for licences is also included in the contract.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

The required capacity will be assessed in relation to the contract's value, services, risk and length.

Minimum level(s) of standards possibly required:

Documentation requirement:

Credit rating from a certified credit rating agency based on the most recent known accounting figures.

The key figures in the accounts must be presented together with an assessment of the tenderer's payment history.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

1. Tenderers must have good experience from the implementation of equivalent assignments. Equivalent assignments are seen as assignments that include at least one of the following conditions:

- Sale of printed teaching aids
- Sale of digital teaching aids
- Delivery of an administration system for licences

Tenderers must be able to refer to reference assignments that cover all three of the above conditions, but all three conditions do not need to be included in the same reference.

2. Tenderers must have environment management measures adapted to the contract's environmental objectives, environmental qualities, complexity and risk.

Minimum level(s) of standards possibly required:

Documentation requirement:

1: A List with an overview of the most relevant assignments in the last 3 years.

2: A description of the tenderer's environment management measures.

If a tenderer is certified in accordance with ISO 14001, EMAS or Eco-Lighthouse or equivalent, it is sufficient to provide a copy of a valid certificate.
