OJ S 128/2015 07/07/2015
Contract notice – utilities
Works

Directive 2004/17/EC

Section I: Contracting entity

I.1. Name and addresses

Official name: Brønderslev Varme A/S
National registration number: Dansk
Postal address: Virksomhedsvej 20
Town: Brønderslev
Postal code: 9700
Country: Denmark
Contact person: Brønderslev Varme A/S
For the attention of: Thorkil Bartholdy Neergaard
E-mail: tbn@bronderslevforsyning.dk
Telephone: +45 96452920

Internet address(es):

General address of the contracting entity: <http://www.bronderslevforsyning.dk/dk>

Additional information can be obtained from:

Official name: NIRAS A/S
Postal address: Vestre Havnepromenade 9
Town: Aalborg
Postal code: 9100
Country: Denmark
For the attention of: Laurits Tækkemand Nissen
E-mail: ltn@niras.dk
Telephone: +45 20198787
Fax: +45 96306474
Internet address: <http://www.niras.dk>

Specifications and additional documents (including documents for a dynamic purchasing system) can be obtained from:

Official name: NIRAS A/S
Postal address: Vestre Havnepromenade 9
Town: Aalborg
Postal code: 9100
Country: Denmark
For the attention of: Laurits Tækkemand Nissen
E-mail: ltn@niras.dk
Telephone: +45 20198787
Fax: +45 96306474
Internet address: <http://www.niras.dk>

Tenders or requests to participate must be submitted:

Official name: NIRAS A/S
Postal address: Vestre Havnepromenade 9
Town: Aalborg
Postal code: 9100
Country: Denmark

For the attention of: Laurits Tækkemand Nissen

E-mail: ltn@niras.dk

I.2. Main activity

Production, transport and distribution of gas and heat
Electricity

I.3. Contract award on behalf of other contracting entities

The contracting entity is purchasing on behalf of other contracting entities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting entity

Brønderslev Varme — Biomass fired CHP plant — Mechanical utility.

II.1.2. Type of contract and place of performance or delivery

Works

Main site or place of performance: Brønderslev Varme A/S, Virksomhedsvej, 9700
Brønderslev.

NUTS code DK050 Nordjylland

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The biomass-fired CHP plant must include design, supply, installation and commissioning of a complete biomass-fired CHP plant having a thermal power output of approximately 20 MW power (including flue gas condensation). The plant must be able to treat and burn wood chips with a moisture content from 30 % to 55 %. The plant must produce both electricity and heat. The system is established with ORC and exhaust gas condensing. The contract covers the total mechanical installation including cranes, batching plant, boiler, electricity producing unit (ORC), transformers, flue gas cleaning plant, flue gas condensation plant, chimney, electrical equipment and SCADA system. The biomass fired CHP plant will be connected to a solar system based on thermal oil. The complete solar system incl. thermal oil system is contained in another contract. The contractor will participate in the definition of the design parameters, the design and include the physical connection.

General: The final requirements and all design parameters, construction limits and integration into the existing plant will be specified in the tender documents.

II.1.6. CPV code(s)

09310000 Electricity, 09320000 Steam, hot water and associated products, 31121200

Generating sets with spark-ignition engines, 31121000 Generating sets, 42160000 Boiler

installations, 42300000 Industrial or laboratory furnaces, incinerators and ovens, 42511110

Heat pumps, 42515000 District heating boiler

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Information about lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

II.2.2. Information about options

Options: yes

Description of options: Heat pump on the condensing system for exhaust gas.

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Duration in months: 18 (from the award of the contract)

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Will be specified in the tender documents.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Brønderslev Forsyning requires that the payment terms are current month plus 30 days from receipt of invoice. Any formal requirements will be specified in the tender documents. The payment will be made according to a payment schedule to be determined by Brønderslev Forsyning and the successful bidder. More information, including the principles for the payment plan, will be included in the tender documents that will be submitted to the prequalified tenderers.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

If the tender is submitted by a group of contractors (i.e, a consortium), each member must submit a declaration of joint and several liability. The group of contractors must designate a responsible signatory person with whom the contracting entity can enter binding agreements and contracts.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: Description of particular conditions: In case of any breach from the contractor or payment incapability the contracting entity has the right to enter the contractor's contracts with the subcontractors.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Information and formalities necessary for evaluating if the requirements are met: A) The documentation that the applicant is not precluded from making offers in accordance with Article 45 part 1 and 2 of the Council Directive 2004/18/EC. The documentation must be submitted by a declaration prepared by the applicant himself. The documentation used must not be older than 6 months counting backwards from the deadline for submission of the application.

B) Description of the applicant's organizational structure and ownership, company name, address, tax ID, phone no., email address and contact persons. To the extent that the applicant intends to make use of subcontractors and/or sub-consultants, name, address and supply must be informed for each of these. If the applicant in order to fulfill the minimum requirement is basing this on the use of subcontractors a reference list from these together with a declaration that they will provide resources for the applicant must be included. If the applicant is a group of economic operators (i.e. a consortium) each operator in the group must provide adequate documentation according to this item.

III.2.2. Economic and financial ability

List and brief description of conditions: Information and formalities necessary for evaluating if the requirements are met: C) The financial key figures from the applicant (equity, revenue and result) to be submitted including the past 3 years or as long as the applicant has existed if this is shorter than 3 years. Submission of accounts are not required. In case significant changes in the applicant's financial situation have occurred since the last financial reporting, the applicant must include a statement thereof. It is a requirement that the applicant has had a positive equity during the past 3 financial years.

III.2.3. Technical and professional ability

List and brief description of conditions: Information and formalities necessary for evaluating if the requirements are met: A description of the applicant's experience with similar services on biomass fired boiler plants, thermal oil, power generation based on ORC-technology, heat pumps and with heat production for district heating systems within the last 5 years. The references must specify the location, client, the contract value and the year of commissioning and include a description of the services provided by the applicant. The references must be specified in details; i.e. pressure range (bar), temperature set (°C) and overall total performance (MW) as well as a description of the provided technology.

Minimum requirements: It is required that the applicant has proven experience from several of the services mentioned above within the last 5 years.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

III.3.2. Information about staff responsible for the performance of the contract

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting entity

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents

(except for a DPS)

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

14.8.2015 - 12:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

Danish. English.

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

VI.3. Additional information

The application shall be submitted electronically to Mr Laurits Tækkemand Nissen; email address specified in Annex A, section III. On the basis of the applications received, Brønderslev Forsyning will select 3-5 candidates and invite these to submit their tenders. If the number of candidates, who meet the section. III.2 conditions specified for participation, exceeds the desired number, Brønderslev Forsyning will select the 3-5 candidates that have the best and most suitable references. This selection will be made in the interest of securing an optimal competition with focus on the specific project to be carried out.

VI.4. Procedures for review

VI.4.1. Review body

Official name: Klagenævnet for udbud

Postal address: Kampmannsgade 1

Town: København V

Postal code: 1780

Country: Denmark
Telephone: +45 33307700

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: Precise information on deadline(s) for lodging appeals: Any complaints re. the prequalification must be submitted within 20 calendar days from the day following the day on which the contracting entity has notified the applicants. Any complaints re. the tender must be submitted within 45 calendar days from the day the contracting entity has published a notice in the OJEC that the contracting authority has signed a contract. The period begins on the day following the day on which the notice has been published. No later than when the appeal is submitted to the Danish 'Klagenævnet for Udbud' — the Board of Appeal of Public Procurement, the complainant must in writing notify the contracting entity that a complaint is submitted to the 'Klagenævnet for Udbud', and inform whether the complaint has been lodged in the stand still period.

Re. DA Standard form 05 — Contract notice — utilities 11/15 situations, where a complaint is not filed in the stand still period, the complainant must also state whether a suspensive effect of the appeal is requested. The complaint must be accompanied by a fee of 4 000 DKK.

VI.4.3. Service from which information about the review procedure may be obtained

Official name: Konkurrencestyrelsen, Center for offentlig konkurrence

Postal address: Nyropsgade 30

Town: København V

Postal code: 1780

Country: Denmark

Telephone: +45 72268000

Internet address: www.klfu.dk

VI.5. Date of dispatch of this notice

2.7.2015
