2. Procedure

2.1. Procedure

Title: Be part of an important social mission! Project management within tree plant activities and work management of youth working for the project Oslo trees.

Description: Oslo municipality, c/o the Agency for Planning and Building, invites tenderers within both business and non-profit areas to participate in the wood plant suction meeting Oslo trees. Project Oslo Trees combines employment of youth in the urban districts and planting trees in Oslo to make Oslo a more pleasant and greener city. Read more about the project here: <https://www.oslo.kommune.no/natur-kultur-og-fritid/trar-i-oslo/oslotrar/> [<https://www.oslo.kommune.no/natur-kultur-og-fritid/trar-i-oslo/oslotrar/>]. Tenderers shall, in cooperation with the Planning and Building Department and the districts, plan and implement tree plant projects where the tenderers shall carry out work management for youth. The intention of this prior information notice is to make the market aware of the pending procurement. The procurement will be a procurement in accordance with PPR part II, where the used procedure will be an open tender competition. Relevant requirements will be made in accordance with the Oslo model, experience with wood planting, for experience with youth/young adults working on projects and for a climate and environmental focus. Please also note that the procurement process will occur in the competition implementation tool Artifik. Contact Artifik for further information on how to register and prepare to submit a tender. For other questions and input, the procurement's gender neutral preferred can be contacted. We would like tips for relevant aspects within environment and climate consideration within tree planting. Contribute to our city in an important project for youth and the future of the city!
