Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Study on Social Services with Particular Focus on Personal Targeted Social Services for People in Vulnerable Situations

Reference number: EMPL/2020/OP/0009

II.1.2. Main CPV code

85320000 Social services

II.1.3. Type of contract

Services

II.1.4. Short description

The objective of this study is to describe the social services sector within the broader context of services of general interest. The study will take stock of how the social services sector evolved, including its different roles, users groups and providers. The study will aim at categorising social services, based on their functions, objectives and user groups. The study will look more closely into the personal targeted social services. It will provide their typology and describe their specific role/s towards the achievement of a positive social impact for the people in vulnerable situations. The study will aim at defining the role of this group of social services in the implementation of the Pillar. It will look into how access, quality and the achievement of a positive social impact (as defined in the Pillar) could be monitored.

II.1.5. Estimated total value

Value excluding VAT: 400 000,00 EUR

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

85320000 Social services

II.2.3. Place of performance

NUTS code: 00 Other or Not Specified

Main site or place of performance: The main place of performance of the tasks shall be contractor's premises or any other place indicated in the tender.

II.2.4. Description of the procurement

The objective of this study is to describe the social services sector within the broader context of services of general interest. The study will take stock of how the social services sector evolved, including its different roles, users groups and providers. The study will aim at categorising social services, based on their functions, objectives and user groups. The study will look more closely into the personal targeted social services. It will provide their typology and describe their specific role/s towards the achievement of a positive social impact for the people in vulnerable situations. The study will aim at defining the role of this group of social services in the implementation of the Pillar. It will look into how access, quality and the achievement of a positive social impact (as defined in the Pillar) could be monitored.
