Title: HSE National Mini-Competition Specification and Standards for the Provision of Surgical Theatre and Ophthalmic Instrument Sets, initial requirements for the new children’s hospital

Description: HSE invite tender proposals from Suppliers appointed to the above DPS Project

Reference for the supply of Categories within Lot 2 of Surgical Instrumentation for high-quality surgical instrument sets for paediatric services at the new children’s hospital (nch), Dublin. The new facility provides an increase in operating theatre capacity and consequently, additional surgical instrument sets are required to meet the surgical activity planned for the nch. It is imperative that the equipment is, ethically supplied, robust, of high -quality, reusable, has longevity of use, and is of an equivalent standard and specification, to the existing set components detailed in the requirements and specifications documents. Instrument procedure sets have been standardised across the CHI facilities to provide coherence and consistency in procedure set components. The Lots (x 13) in this mini competition have been grouped around surgical specialties and are aligned to the lotting structure of HSE DPS 16764.
